

## **Announcement**

### **National Institute of Development Administration on Application for Admission to Doctor of Philosophy Program in Applied Statistics (International Program)**

**Academic Year 2017**

The National Institute of Development Administration (NIDA) will accept applications for admission to Doctor of Philosophy program in Applied Statistics (International), academic year 2017. The program is divided into 4 majors as follows;

- 1. Statistics**
- 2. Business Analytics and Research**
- 3. Operations Research**
- 4. Population and Development**

1. Qualifications of Applicants

Applicants hold degrees in Mathematics, Statistics, Applied Statistics, Risk Management, Management Science, Industrial Engineering, Operations Research, Decision Science, Social Science or related fields from a university or institution accredited by the Commission on Higher Education. Excellent academic records and good proficiency in English are required.

Applicants who graduated from abroad must provide a letter of accreditation for the received degrees that is issued by Commission on Higher Education. For Thai applicants, the letter must be submitted prior to interview examination. For international applicants, the letter can be submitted after an enrollment as students in the program.

NIDA reserves the rights to examine all documents and qualifications of an applicant at any time. If it is found that an applicant does not meet the required qualifications after an acceptance has already been given, the announcement of acceptance shall be cancelled.

## 2. Selection Procedure

The selection procedure is divided into two Types.

### Type 1.1 : Dissertation Only

Applicants must hold a Master's degree with excellent academic records and research background. Considerations will be made upon the applicants' scholastic records, experiences, and dissertation proposals.

### Type 2.1 : Dissertation and Coursework

Applicants must hold a Master's degree. Considerations will be made upon the applicants' scholastic records and experiences.

## 3. English Competency

Applicants must conform to NIDA's announcement on English proficiency requirements as follows:

- 3.1 Unless applicants are native English speakers or have obtained their bachelor's and/or master's degrees not more than five years from international academic institutions where English was the language of instruction and study, they are required to submit a test score of either the Test of English as a Foreign Language (TOEFL) or TOEFL/ITP or the International English Language Testing System (IELTS). The minimum TOEFL score is 550 for the paper-and-pencil test or 213 for the computer based test or 79 for the Internet based test. For TOEFL/ITP, the minimum score is 550 and for the IELTS, the minimum score is 6.5 points.
- 3.2 Applicants, who do not meet the English proficiency requirements in 3.1 but acquire the TOEFL score at 450-549 for the paper-and-pencil test, or 174 - 212 for computer based test, or 65 -78 for the Internet based test, or 450 - 549 for TOEFL/ITP, or 5.5 – 6.4 points for IELTS, may be accepted to the program. However, they must register for English courses in accordance with the requirement of the curriculum on remedial courses and are required to resubmit the TOEFL/ITP score of 530 or above prior to their graduation from the program.

**Remark:** 1. Applicants must submit TOEFL or IELTS score on the date of their application or by the last date of application due.

2. Only TOEFL/ITP, arranged by NIDA is acceptable for application process.
